working stiff is a fearless memoir of a forensic pathologist s rookie season as a nyc medical examiner and the cases that shaped her as both a physician and mother

a captivating blend of history women in science and true crime 18 tiny deaths tells the story of how one woman changed the face of forensics forever frances glessner lee born a socialite to a wealthy and influential chicago family in the 1870s was never meant to have a career let alone one steeped in death and depravity yet she developed a fascination with the investigation of violent crimes and made it her life s work best known for creating the nutshell studies of unexplained death a series of dollhouses that appear charming until you notice the macabre little details an overturned chair or a blood spattered comforter

and then of course there are the bodies splayed out on the floor draped over chairs clothed in garments that lee lovingly knit with sewing pins 18 tiny deaths by official biographer bruce goldfarb delves into lee s journey from grandmother without a college degree to leading the scientific investigation of unexpected death out of the dark confines of centuries old techniques and into the light of the modern day lee developed a system that used the nutshells dioramas to train law enforcement officers to investigate violent crimes and her methods are still used today the story of a woman whose ambition and accomplishments far exceeded the expectations of her time 18 tiny deaths follows the transformation of a young wealthy socialite into the mother of modern forensics eye opening biography of frances glessner lee who brought american medical forensics into the scientific age genuinely compelling kirkus reviews a captivating portrait of a feminist hero and forensic pioneer booklist

a bustle most anticipated book of january 2020 scalpel sharp kathy reichs a young rookie medical examiner a suspicious case an underworld plot only she saw coming from the new york times bestselling authors of working stiff for san francisco s newest medical examiner dr jessie teska it was supposed to be a fresh start a new job in a new city a way to escape her own dark past instead she faces a chilling discovery when an opioid overdose case contains hints of something more sinister jessie s superiors urge her to close the case but as more bodies land on her autopsy table she uncovers a constellation of deaths that point to an elaborate plot involving drug dealers and bitcoin brokers drawing on her real life experiences as a forensics expert judy melinek teams up with husband t j mitchell to deliver the most exhilarating mystery of the year autopsy means see for yourself and jessie teska won t stop until she has seen it all even if it means that the next corpse on the table could be her own

when an earthquake strikes san francisco forensics expert jessie teska faces her biggest threat yet in this explosive new mystery from the new york times bestselling duo there s a body crushed under a load of pipes on a san francisco construction site and medical examiner dr jessie teska is on call so it s her job to figure out who it is and her headache when the autopsy reveals that the death is a homicide staged as an accident jessie is hot on the murderer s trail then an earthquake sends her and her whole city reeling when the dust clears her case has fallen apart and an innocent man is being framed jessie knows she s the only one who can prove it and she races to piece together the truth before it gets buried and brings her down in the rubble with melinek and mitchell s trademark blend of propulsive prose deft plotting and mordant humor this rollicking new installment in the jessie teska mystery series will shake you up and leave you rattled

a physician shares the darkest depths of his depression suicidal ideation addiction and the important lessons he learned through years of personal recovery pediatric oncologist and palliative care physician dr adam b hill suffered despair and disillusionment with the culture of medicine culminating in a spiral of depression alcoholism and an active suicidal plan then while in recovery from active addiction he lost a colleague to suicide further revealing the extent of the secrecy and broken systems contributing to an epidemic of professional distress within the medical field by sharing his harrowing story dr hill helps identify the barriers and obstacles standing in the way of mental health recovery while pleading for a revolutionary new approach to how we treat

individuals in substance use recovery in fighting stereotypes stigma and teaching vulnerability compassion and empathy hill s work is being lauded as a road map for better practices at a time when medical professionals around the world are struggling in silence

from america s top courtroom sketch artist a penetrating compulsively readable memoir about her dramatic four decade career for over forty years jane rosenberg has been at the heart of the news cycle covering almost every major trial that has passed through the new york justice system as a courtroom sketch artist including the most recent donald trump hush money trial in drawn testimony rosenberg brings us into the dramatic high stakes world of her craft where art psychology and courtroom drama collide over the course of her legendary career jane has had a front row seat to some of the most iconic and notorious moments in our nation s recent history including cases pertaining to mick jagger martha stewart tom brady s deflategate scandal john lennon s murder trial ghislaine maxwell john gotti harvey weinstein the boston marathon bomber donald trump readers will learn how she has honed her unique powers of perception and also what her portraits reveal not only about her subjects but about the human condition in general fearless fascinating and gorgeously written drawn testimony captures the unique career of an artist whose body of work depicts history as it s happening

a horror landmark and a work of gory genius joe hill new york times bestselling author of the fireman new york times bestselling author daniel kraus completes george a romero s brand new masterpiece of zombie horror the massive novel left unfinished at romero s death george a romero invented the modern zombie with night of the living dead creating a monster that has become a key part of pop culture romero often felt hemmed in by the constraints of film making to tell the story of the rise of the zombies and the fall of humanity the way it should be told romero turned to fiction unfortunately when he died the story was incomplete enter daniel kraus co author with guillermo del toro of the new york times bestseller the shape of water based on the academy award winning movie and trollhunters which became an emmy award winning series and author of the death and life of zebulon finch an entertainment weekly top 10 book of the year a lifelong romero fan kraus was honored to be asked by romero s widow to complete the living dead set in the present day the living dead is an entirely new tale the story of the zombie plague as george a romero wanted to tell it it begins with one body a pair of medical examiners find themselves battling a dead man who won t stay dead it spreads quickly in a midwestern trailer park a black teenage girl and a muslim immigrant battle newly risen friends and family on a us aircraft carrier living sailors hide from dead ones while a fanatic makes a new religion out of death at a cable news station a surviving anchor keeps broadcasting while his undead colleagues try to devour him in dc an autistic federal employee charts the outbreak preserving data for a future that may never come everywhere people are targeted by both the living and the dead we think we know how this story ends we are wrong at the publisher s request this title is being sold without digital rights management software drm applied

on september 11th 2001 jim jenkins woke up to the nightmare that was 9 11 a few days later he was headed for ground zero in his official capacity as a us navy chaplain deeply affected by what he experienced there jim has decided to share his story with the world as we approach the 20th anniversary of 9 11 through his encounters with the victims families political leaders like rudy giuliani and celebrities like elton john jim saw god show up in very unique and

amazing ways during his time serving at ground zero jim s primary message to america is that we must never forget but jim also wants his fellow americans to know that god can bring redemption out of the rubble
